

Rev. White's reading notes
based on synthetic reading of the book

Joel

Joel highlights the utter devastation & looming doom coming to an unrepentant & inauthentic people of God. This would transmogrify the Promised Land into the Perished Land via locusts, fire, & the most disciplined & destructive army ever! However, God's will, desire, mercy, & grace are available if the people of God would only change their hearts & worship God Forever!
